Front End Developer

Asaba, Delta State • 08149631559 • uyoyo8255@gmail.com • linkedin.com/in/euyoyo

Dedicated Junior Frontend Developer with a proven track record of enhancing website performance and user engagement. I've successfully implemented responsive designs, developed efficient JavaScript code, reducing page load times by 30%. With a knack for creating interactive features and resolving frontend issues, I am eager to leverage my skills to contribute to a dynamic development team.

## EXPERIENCE

"Designed and implemented dynamic front-end project for a weather app using JavaScript, APIs, CSS, and HTML5."

"Collaborated with a team of frontend developers to create a fintech web app for processing payments using HTML5, Bootstrap and jQuery."

"Created a website for a legal firm using HTML5, CSS3, and vanilla JavaScript, featuring an autoplay carousel and other animations."

"Developed a personal portfolio website using HTML5, CSS, vanilla JavaScript, and ScrollReveal for animations."
